Time Limits

- All games have a time limit of 1 hour and 40 minutes (finish the inning).
- The championship game has a time limit of 2 hours (finish the inning).
- Consolation games are 1 hour and 45 minutes drop-dead.
- The clock starts immediately following the pre-game meeting.
- If the home team is leading when the time limit hits, the game will finish after the current at-bat (if it has started).
- Teams should be ready to start their game up to 30 minutes before the original start time.

Extra Innings

- The base runners will be placed as follows:
- Last batter from previous inning at 1st Base
- Second to last batter before him in the lineup at 2nd Base
- Third to last before that in the lineup at 3rd Base
- Normal substitution rules apply to these runners.
- The hitting team will start the inning with one out.
- Play continues until one team is ahead at the end of an inning.

Other Playing Rules

- **Innings:** 9-12u will play 6 innings, 13u-18u is 7 innings
- **Official Game:** If a game is called by the umpire/director that cannot be resumed, games are final after 4 innings (or 3 and a half innings if the home team is ahead). Weather is a part of the game. Directors reserve the right to change formats, schedules, etc. The home book is used as the official score.
- **Ties:** All games in pool play that are tied after 6/7 innings or the time limit (and finish the inning if applicable) are final. Bracket games will follow the tiebreaking criteria.
- **Mercy Rules:** 12 runs after 3 innings, 10 runs after 4 innings, and 8 runs after 5 innings
- **Mound Visits:** The 2nd visit of an inning requires the pitcher to be removed. Coaches receive up to 3 charged mound visits per game.
- **Warm-up pitches/pitch count:** Each player receives 8 warm up pitches when entering the game and 5 each subsequent inning. We do not enforce pitch-count limits; however, we strongly suggest using the Little League Baseball pitch count rules and referring to the pitch-smart guidelines. Player safety should be the main priority of all coaches.
- **Intentional Walks:** There is no need to throw a pitch. Coaches can declare an intentional walk.
- **Forfeits:** All forfeits result in a 7-0 victory.
- **Lineups/Courtesy:** All teams may bat 9 or more players. You must start the game with at least 8 players, and a 9th may join

the lineup as long as the player was listed on the roster and lineup card. Any spot that is unfilled, out of 9, is an automatic out. If the team starts with 10 or more, an injury that results in a player exiting the game will not be ruled out, unless they go below 9 batters. Courtesy runners are to be the last out, or a substitute from the bench. IF A TEAM HAS SUBS, THEY MUST USE A SUB.

- **Re-entry:** Pitchers may not re-enter the same game. Free substitution on defense applies if all players are in the batting order. For those not batting all of their roster, NFHS re-entry rules apply. Players are locked into their spot in batting order once they enter the lineup. You can re-enter once in the same spot in the lineup. Once a sub is replaced by the original starter, they are no longer eligible to return to the game.

Tiebreaking Criteria

Standings Tie-breakers:

- To determine seeding, a win is worth 1 point and a tie is worth 0.5 points; **HOWEVER**, winning will be valued more than ties. EX:) 1-1 will be ahead of 0-0-2. 2-1 will be ahead of 1-0-2
- If teams have played an uneven amount of games, winning percentage will be used. (2-0 is greater than 1-0).

Two Teams Tied: (win percentage first)

1. Head to head
2. Total runs allowed
3. Total runs scored
4. Highest single game run differential
5. Lowest single-game runs allowed
6. Highest single game runs scored
7. Coin flip

Three Or More Teams Tied:

- USE THE SAME CRITERIA IF HEAD TO HEAD CANNOT SETTLE IT.

Bats/Equipment

BATS:

- **9U-12U** USA or USSSA
- **13U-** Minus 5 or BBCOR
- **14u-18u-** BBCOR or WOOD

Cages/Game Balls:

- Cages are first come first serve. Teams must bring their own baseballs for the batting cage. Game balls are provided for every game by the tournament.

Age Protest

- Protests will be heard and ruled on by the tournament committee. The team protesting a playing rule must make a cash payment of \$250 at the time of the protest to the tournament director on-site. If the protest is ruled in the protesting team's favor the \$250 will be refunded. The ruling made by the committee will be final. You cannot protest a play on the field if play has already been resumed. If you are protesting illegal equipment and committee rules in your favor, then the equipment in question will be removed immediately and play will continue (any prior game play leading up to that point remains as it was).

Ejections/Forfeits/Suspensions

- There is ZERO tolerance for unprofessional behavior by parents, coaches, and players. Players will be suspended for the rest of the tournament. Coaches and parents that are ejected will be banned from attending the rest of the games that weekend and must leave the complex immediately. If an ejected parent/coach refuses to leave the complex in a timely manner, the team will receive a forfeit loss.

- Coaches must not stall the game at any point. After one warning, the tournament director will have the right to make the game a forfeit.
- Coaches and managers are fully responsible for the behavior of their players, parents, spectators, and team staff.
- Any disrespectful, abusive, or inappropriate behavior directed toward umpires or event staff will result in the immediate ejection of the head coach, with no warnings issued.
- Teams that repeatedly violate this policy may be removed from the event and banned from future Williamsport Lumberyards tournaments. The tournament committee has the right to make decisions on suspensions in extension to these details.

Rules Not Covered

- Any rules that are not covered and need clarification will be decided by the tournament director at that field.
